JINYANG CHEMICALS

Creating Innovative Solutions

ABOUT US

Experts in manufacturing adhesives and coatings for the construction industry. All of our products are independently developed by our company and manufactured locally in Taiwan, utilizing advanced German technology and raw materials from top global suppliers to ensure the highest quality standards.

* **Advanced Technology:** We incorporate advanced German technology into our manufacturing processes.

* **Global Quality Raw Materials:** We source raw materials from top global suppliers to ensure excellent product quality.

* **Strong R&D Team:** Dedicated to creating customized formulations and a wide range of product lines to meet the specific needs of our customers.

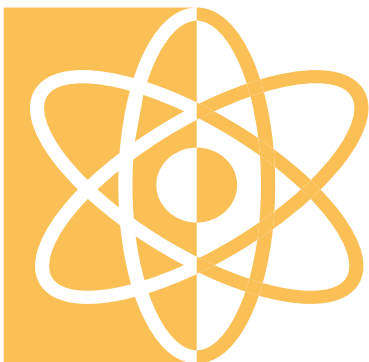

* **OEM Flexibility:** All products displayed on our website can be produced under OEM agreements, offering flexibility and customization possibilities.

Core Values

* Integrity and solid business practices are our core values, ensuring the trust and reliability of our partners.

We sincerely invite friends and partners from the hardware and construction industries to collaborate with us, achieving mutually beneficial cooperation. Leveraging our expertise and commitment to quality, we aim to create a prosperous future together.

Constant Innovating, Building a Solid Future Together

CONSTRUCTION AEROSOLS

PUF500

GENERAL PURPOSE

- MULTI-PURPOSE
- HIGH EXPANSION
- MADE IN TAIWAN
- 500/750ML

LB-100

MULTI-PURPOSE LUBRICANT SPRAY 412ML

- MULTI-USE
- RUST PREVENTION
- PENETRATION
- CLEANING
- LUBRICATING
- MOISTURE REMOVAL

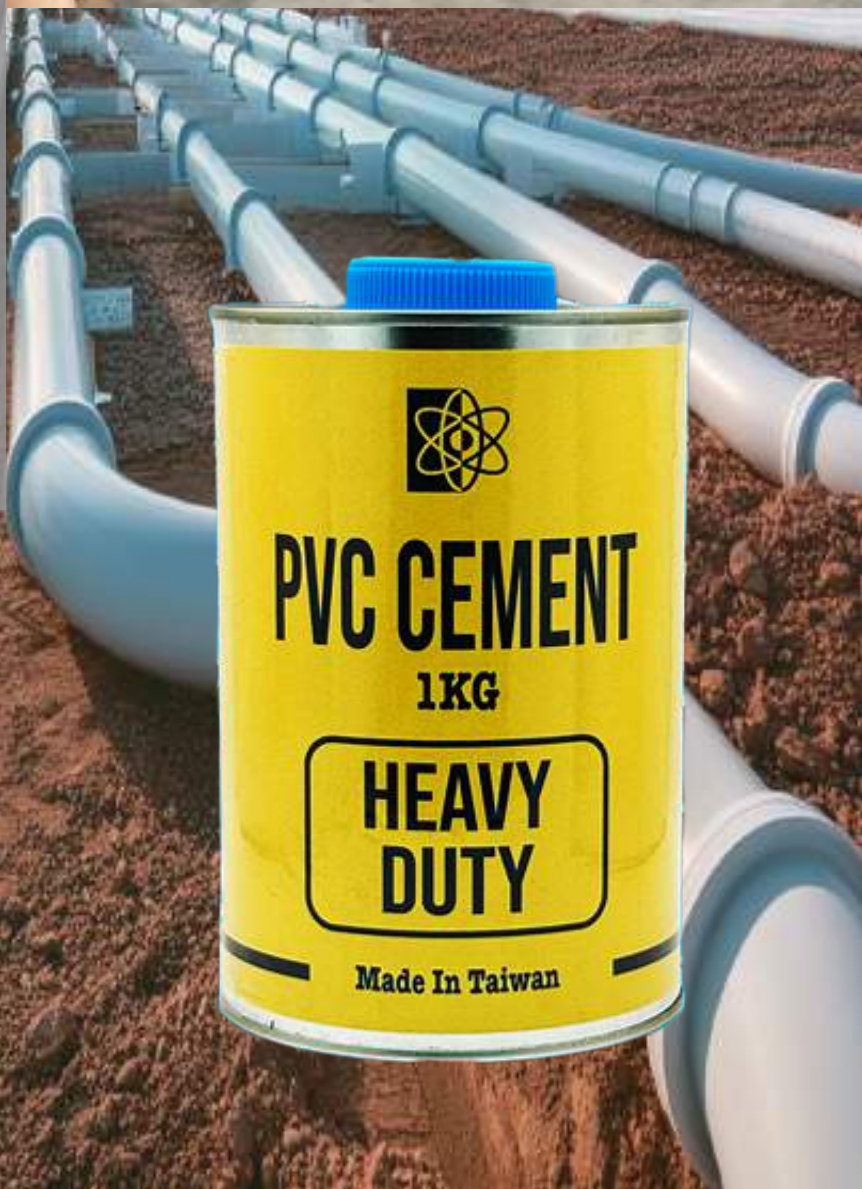

SOLVENT CEMENT FOR PVC

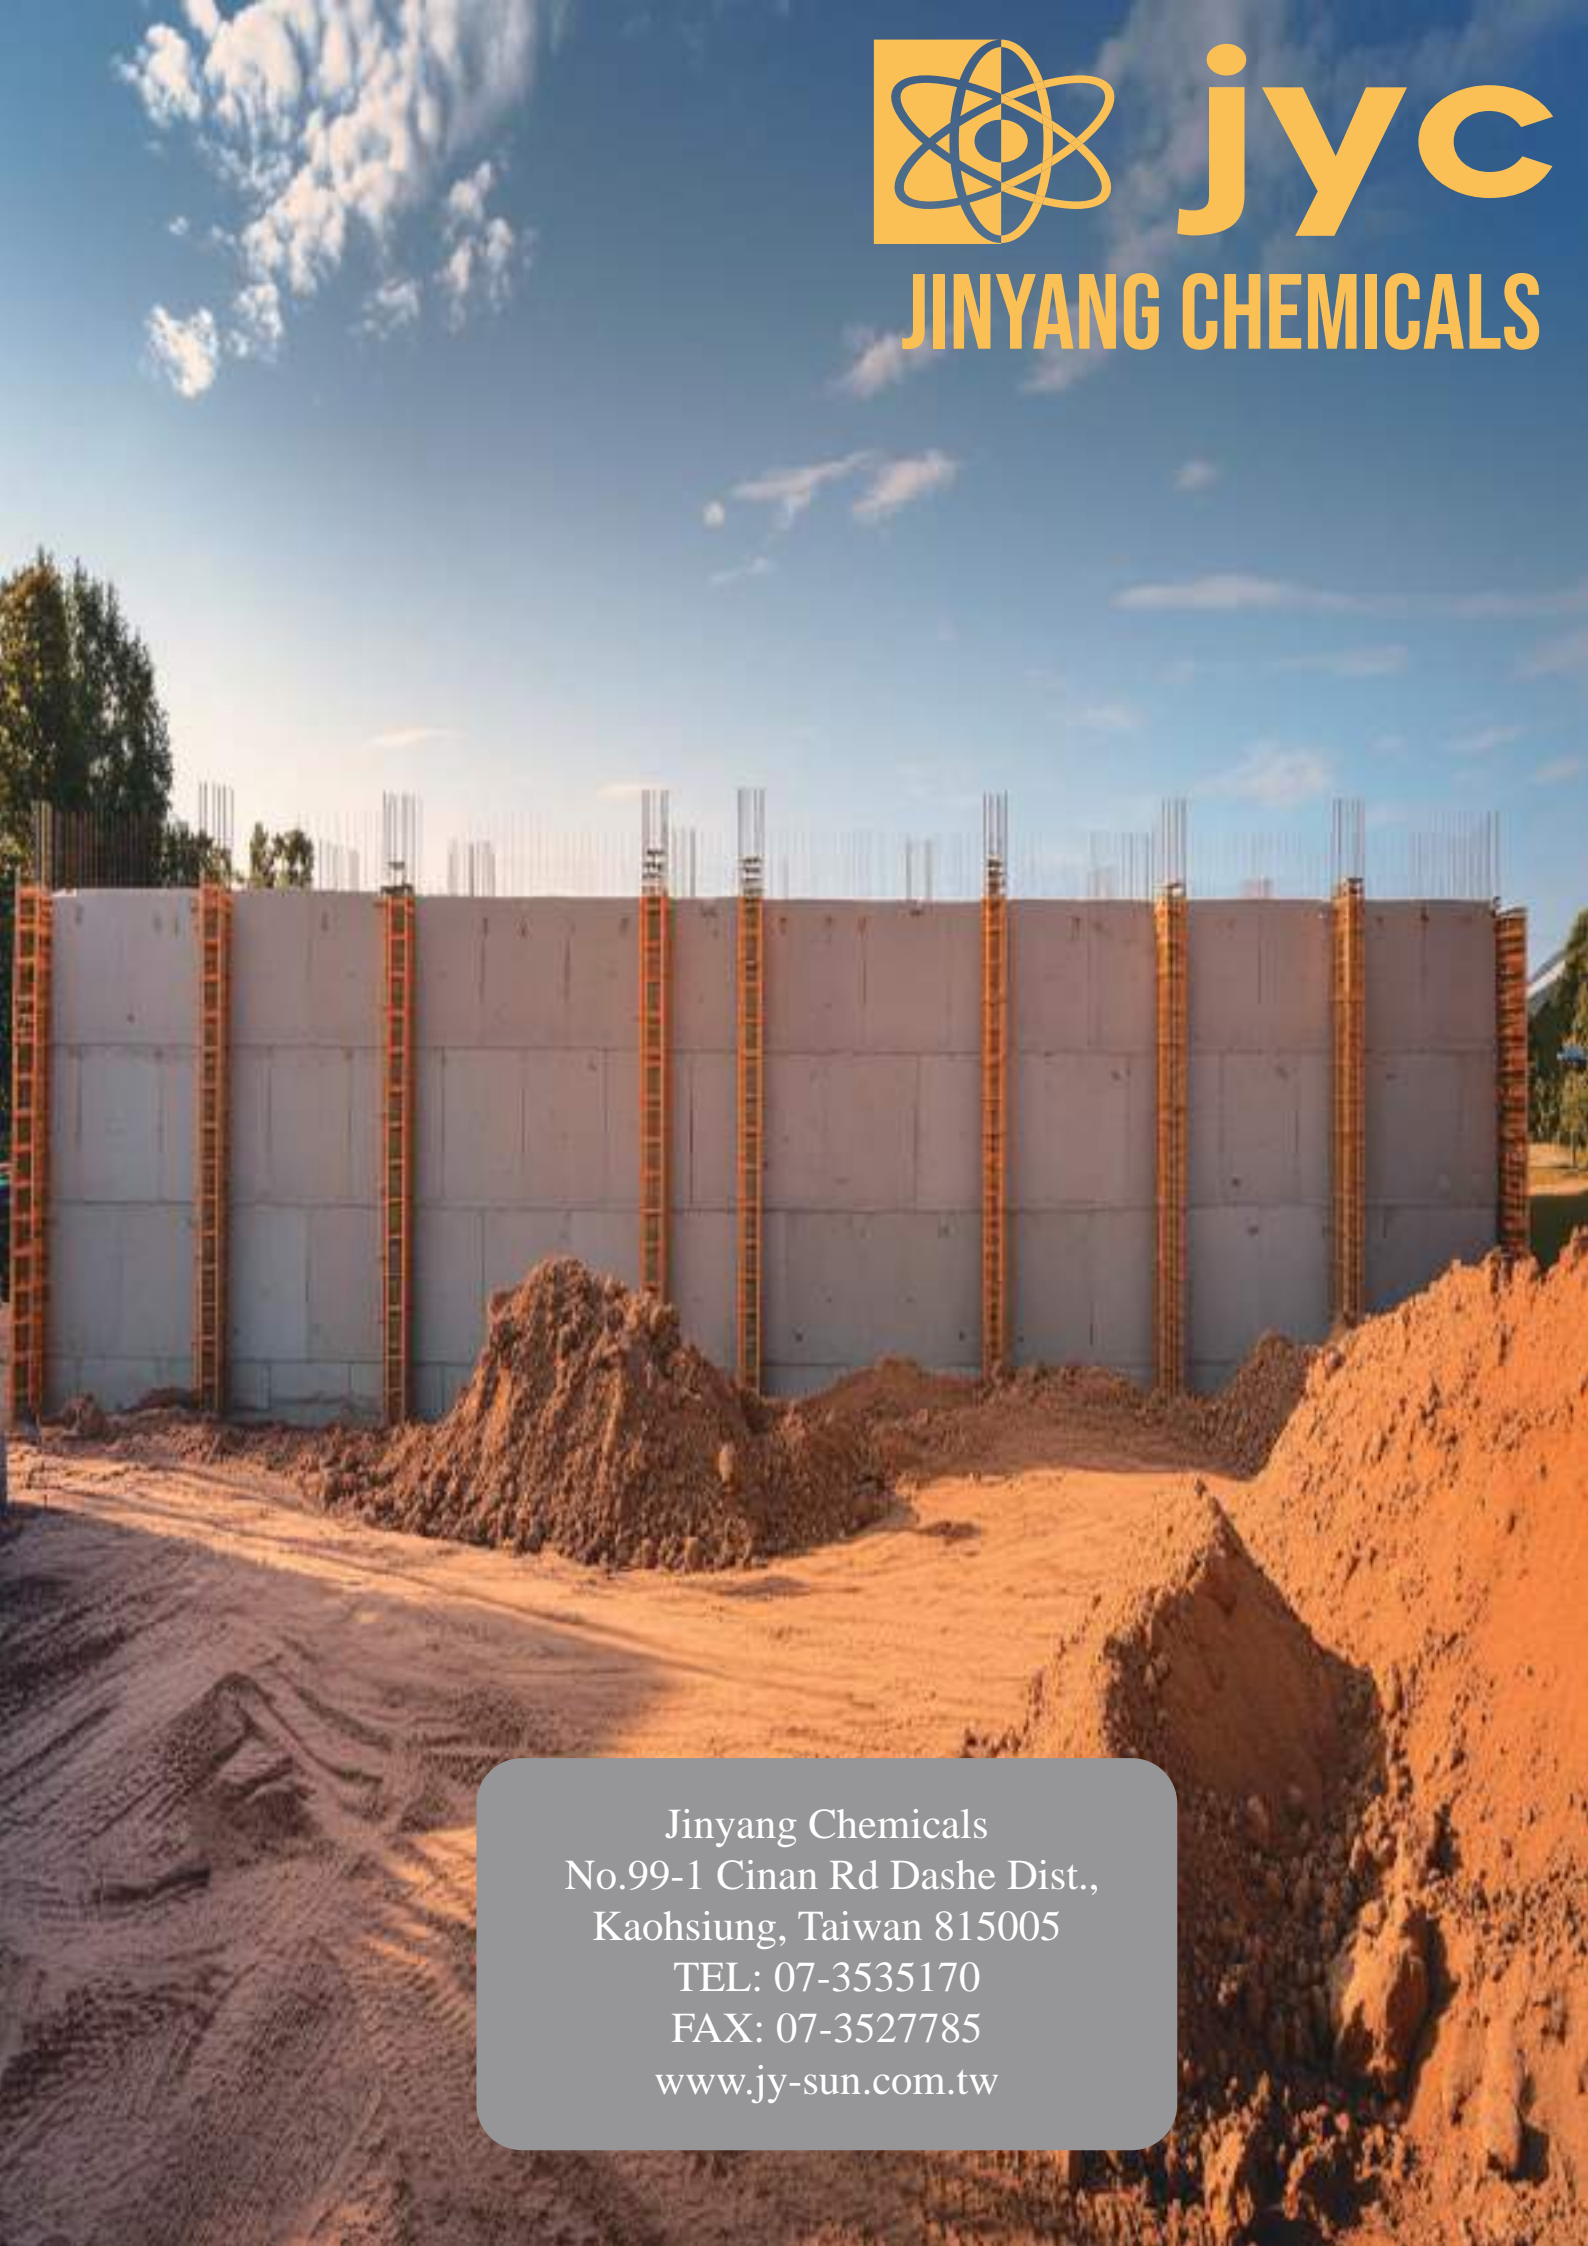

PVC CEMENT

GENERAL PURPOSE / HEAVY DUTY

- PVC PIPE SEALING
- PERMANENT SEAL
- PACKAGING : 100G AND 1KG
- BRUSH SOLD SEPARATELY

CNS 6224
APPROVED
